Another Country Heard From--Newfoundland

An intriguing look into another Placentia, a full continent away has been opened by correspondence to The Placentia Courier from Placentia, Newfoundland, Canada.

In a letter signed by Katherine M. Murphy, secretary of the Placentia Area Historical Society, Ms. Murphy is seeking communication with Placentia, California, USA.

The letter also states: "We are very interested in Mrs. Sara Jane McFadden (who named Placentia, California). Obviously she is neither French nor Spanish. "We would like to have, if possible, her maiden name and place of birth. Newfoundlanders have a habit of turning up in most unlikely places, such as Mrs. Fitzgerald, grandmother of President Kennedy, who was born and grew up in Harbour Grace, Newfoundland."

THE TRANQUILITY AND SPACIOUSNESS of Placentia, Newfoundland, is reconstructed here by staff artist Gary Davisson from photographs sent from the area. Located on the east side of Placentia Bay, on the south coast of Newfoundland, Canada, the beach city has a colorful history of fishing activity and countries of the world jousting to possess it because of its strategic location. The city itself is surrounded by spruce covered hills that rise majestically from the sea.

"We would very much appreciate hearing from Placentia, California. Even a postmark would be treasured. Should you not have time, perhaps you could delegate this chore to an interested person, such as the town librarian."

Already on its way to Ms. Murphy and the Placentia in Newfoundland is correspondence from the Placentia Courier and from local historians Virginia Carpenter, Victor Michel and George Key.

The Placentians in Newfoundland also will be receiving maps, pictures, brochures from the dedication of the Placentia Civic Center on December 14, 1974, Bicentennial medallions, valuable orange packing box labels, a rare picking ring from previous orange packing house days.

The link between the two cities is

SERVING THE COMMUNITY FOR MORE THAN 60 YEARS

Volume 65—Number 41 | Placentia, California— Wednesday, May 5, 1976 | 10¢ Per Copy

A Closer Look

Tragedy unquestionably reveals the quality of the soul.

In our lifetimes, my husband's and mine, we have been spared many of the misfortunes and vicissitudes that have befallen our friends. And always with a prayer of thanksgiving at our good fortune.

In our own recent personal tragedy in the death of our only daughter, we have had opened unto us a panorama of human understanding, concern and compassion that is beyond our previous comprehension.

Beginning with our weeks of waiting in the family rooms of the intensive care unit at St. Jude Hospital while Marilyn fought for her life, the quality and concern of the people around us brilliantly shattered the gloom. No one was allowed in that area of the hospital who did not have a life of a family member in grave danger.

Yet most of the conversation and concern was for others. The Yorba Linda mother whose husband had been in intensive care for five weeks. The family from Montana waiting word on a father's heart surgery. One man who had given up hope and decided more suffering was too much to ask until an especially arranged visit from his grandson reawakened his efforts.

Many of the families were from Placentia. Some people you would know. All in a crisis in their lives.

The talk was always concern for the others in the room. Each encouraging and consoling the other.

Since the death of our only daughter, the strength and concern of our friends and the people of Placentia, has been an overpowering force in guiding my husband and me through a tragedy we were ill prepared to face.

Each and every act of kindness and concern has helped immeasurably, beyond our ability to perceive in normal times.

The people at the hospital. The people who visited the hospital. The calls on the phone and visits to our home. The many messages of concern and compassion.

The food that friends brought us at a time when we felt little interest in our own well being.

The magnificent flowers both at the funeral and at our house.

The care and responsiveness with which the funeral services were structured as we felt Marilyn would have wanted it. The musicians who sang and played the music she loved to sing. My brother who left a host of responsibilities to be with us, console us and give his insight into the child we loved into the words he spoke for her at the service.

The compassionate people who came to the funeral of a young woman many did not know and had never met. To all we are eternally grateful.

Each and every person, each and every thoughtful deed helped immeasurably. It is an experience we will never forget. There is no adequate way we can properly convey our thanks.

To each and every one who assisted us so unselfishly, our heartfelt deepest gratitude and appreciation.

Thank you for lending us your strength. For lending us the quality of your souls.

Betty Mead

Two Meet Violent Deaths Here

Violence in Placentia left two persons dead this week in separate incidents involving police investigations.

The body of a black, Ervin Leroy Sutton, 22, of Garden Grove and Ontario, was found Tuesday by passersby who saw the man lying in an orange grove on Angelina Drive near Kraemer Junior High School.

The man had been bound, gagged and stabbed. An autopsy showed death was caused by suffocation and set the man's death some 17 hours earlier.

Placentia police expressed the opinion that Sutton had been killed in another location and his body transported here. The investigation is continuing. An automobile found on the streets of Fullerton was traced to the victim.

In a second incident Friday night Benjamin Luna, 26 of 759 Mavis Street, Anaheim died at Placentia-Linda Hospital from gunshot wounds following an altercation at Trina's Bar, 110 West Santa Fe Street, Placentia.

Arrested by police and taken into custody, was Alfonso Negrete Quirez, 32, who was charged with murder, kidnapping and brandishing a firearm.

According to witnesses Quirez allegedly shot the victim three times with an automatic weapon then fled on foot to the nearby packing house yards pursued by a witness.

Quirez comandeered an automobile with an unidentified man, woman and child inside and forced his way into the car.

Two Placentia Police officers, Steve Van Etten and Robin Rodarte halted the car for suspicious circumstances and found Quirez inside. He submitted without a struggle, police report.

An undescribed weapon was reportedly found by police.

Area GOPs Bristle Over Campaign

An intramural squabble among Orange County Republicans broke out into the open this week with charges and countercharges involving phoning practices at a Santa Ana Republican headquarters representing Assemblyman John Briggs, his former aide, Andy Banks and Jim Slemons of Costa Mesa.

Briggs is seeking the state senatorial seat vacated by incumbent Senator James Whetmore.

Also involved is Andrew Alberti, Placentia, who is an elected representative to the Orange County Republican Central Committee from the 70th Assembly District, which represents this area. Alberti also is a member of the State Central Committee.

Both Alberti and Briggs report they are contemplating legal action over the series of events, which involved Alberti, Dennis Catron of Westminster and Jay Delaney of Costa Mesa.

According to Briggs, the trio of Republicans infiltrated his headquarters in Santa Ana and offered to make telephone calls on the assemblyman's behalf in his campaign.

Briggs contends the trio left with call sheets, containing the message used by telephone volunteers to solicit votes for the assemblyman as well as recorded messages.

"They entered under false pretenses," Briggs contends. "They were given materials and they made phone calls. They illegally acquired the materials and that is theft," Briggs counters.

Alberti explains, however, that there have been complaints that Briggs callers were indicating they were calling from a central Republican headquarters with an overall endorsement rather than from a Briggs' headquarters. There are other Republican candidates opposing Briggs in the primary as well as Banks, who is seeking Briggs' to be vacated assembly seat.

Slemons is a candidate for the

Elks To Establish Lodge With Bar

Providing eight parking stalls for offstreet parking, the Placentia-Yorba Linda Elks Lodge #2536 last week was granted a permit to sell liquor to its members in a building at 202 West Santa Fe Street, which it will use as a lodge headquarters.

The building is located at the corner of Santa Fe and Main Streets.

The use permit appeared to solve the Elks' search for a suitable meeting place for its 285 members. The group had previously sought to incorporate a headquarters into the Boys Club facility on Crowther Street but this plan was previously rejected by the planning commission as unsuitable and not appealed to the city council.

Discussion at the Placentia Planning Commission meeting Tuesday centered around the availability of adequate parking facilities in the landlocked Santa Fe area. Commissioners decided that because the lodge operates principally at night, sufficient parking would be available for the estimated 50 or more members who will be using the facility on an averaged basis at any one time.

Dr. David Margolias abstained in the otherwise unanimous vote of approval.

The Elks propose to operate their Lodge facility in a warehouse space in back of a recently located bakery coffee shop. The cocktail lounge, which was permitted the state legal

Hawk Netmen Are League Champions

by Brian Hilderbrand

El Dorado High's tennis team has clinched Orange League, for the second year running. The Hawks eliminated all contenders by beating the Sonora Raiders 20½-7½, and a match called because of smog with the Esperanza Aztecs.

"It was a total team effort," commented Coach Larry Hoekman. "The seniors did the job for us, and it was a pleasure to work with them", he added.

This is the first year that Hoekman has coached the varsity squad. He led the JV team to a league title last year. After the departure of Ted Price, Hoekman was called up to the varsity.

The Hawks have compiled a league record of 12-0, with two matches remaining. ED is 17-2 on the season, and have won 29 consecutive league matches over three years.

Next up for the Hawks will be the league finals, to determine the individual single and double champions to be held May 8. Beginning May 11, ED will enter the CIF 2A playoffs.

Letters To Placentia, Newfoundland

Virginia Carpenter Writes

Copy To The Courier:
Katherine M. Murphy, secretary
Placentia Area Historical Society

Dear Miss Murphy:

Betty Mead of the Placentia Courier sent me a copy of your letter as she knows that I am writing a history of Placentia, after publishing the Child's version some time ago. I was reference librarian at Placentia Public Library for years before retiring. Fullerton is three miles from Placentia.

I have tried very hard to find out why Mrs. McFadden chose the name Placentia, but even her children, Carrie and Robert, (who died this year, I knew him,) said that they did not know. I even employed a genealogist to trace her family to see if there was a connection with Newfoundland, but he found that they had been in New York State and Massachusetts for generations, so that did not seem probable. He did say that some of her ancestors had been Loyalists who fled to Canada after the American Revolution, later returning to Massachusetts. He also suggested that Mrs. McFadden may have been told about the Island of Placentia in Maine, as it was once a well-known resort.

Sarah Jane (Earl) McFadden was born 22 Jan. 1846 in New London, Ohio. The daughter of William Lyman Earl and Harriett Kilburn. She came to California in the early 1860s and taught school in Alameda. There she met William McCormick McFadden, another teacher, and married him on 18 Dec. 1866. He was born in 1840 in McKees Rocks, Pennsylvania of farming parents.

The first Earl of whom I have record was Joseph, married about 1793. His son John married Sarah Lyman Jones in 1817 and their son was William Lyman Earl, born in 1820 in Monroe County, New York State. The father of Sarah Jane.

1 Jan. 1842 William L. Earl married Harriett Kilburn who was born 19 Nov. 1824 in Massachusetts. They soon moved to Ohio, in Huron County, where all but two of their eight children were born. Harriet's father was Stephen W. Kilburn, her mother Elizabeth---. The Kilburn's moved to Ohio where Harriett married.

William McFadden died 21 July 1903 and Sarah Jane 18 Aug. 1908, both in Placentia. They had eight children, all but the oldest born in Placentia.

This land was a Mexican land grant to Juan Pacifico Ontiveros in 1837. In 1863 he sold most of it to Abel Stearns, a large land owner and a few years later the Stearns' lands were subdivided and William McFadden at the urging of friends bought ninety acres and built a home. He and Sarah Jane helped to start the first school here, it was called the Cajon School, but when the trustees moved it, they wanted a better name and asked Mrs. McFadden to suggest one, she gave them Placentia and that name was used for the town, founded in 1910.

I will be delighted if you can find any connection with Newfoundland and will appreciate hearing of anything you find out. I will buy a copy of anything you put out if you will send it to me. Thank you and

with best wishes
to the other Placentia,
Virginia L. Carpenter

Note From Victor Michel

Copy to the Courier

Katherine M. Murphy
Secretary
Placentia Area Historical Society

Dear Ms. Murphy,

Betty Mead, Editor of the Placentia Courier, forwarded to me a copy of your letter dated March 15, 1976 concerning a subject very close to my heart - Placentia --Anywhere.

About the time of the publication of the booklet "Placentia - Around the World" I had quite an extensive series of correspondence with Thomas O'Keefe who was at the time the Town Clerk of Placentia, Newfoundland, and who like myself was to some degree a buff on the history of Placentia. In fact, it was Mr. O'Keefe who tipped me on the Island of Placentia off the coast of Maine and the Palace of Placentia in Greenwich England. This clue led me to a long series of correspondence with librarians in the State of Maine and eventually with the sole occupants of the Island, a Mr. and Mrs. Kellum, who at one time resided in Southern California. In addition, after many letters to England, I was able to put together a good summary of the Palace of Placentia which had as its occupants people like Henry VIII and Queen Elizabeth. I will be happy to share this information with your for your archives.

As far as the Placentia on the Hudson, here again I can save you some trouble since I have traced the information back to the original owners, one of whom was Dr. Bard the personal physician of General George Washington at one time. This information also I will send you.

Presently, I am in the process of finding a publisher for the second edition of "Placentia - Around the World" which will update the first edition and which will incorporate all of the facts mentioned above as well as updating the original book.

You may be interested to know the first book was translated into Italian and run as a series in the Piacenza newspaper, Liberta, over several months a few years ago. Last summer, a number of students from Piacenza and their advisors visited Placentia, California for a week or so, and this summer, plans are underway for a group of Placentia students to visit Piacenza for a similiar period. If you would like, I would be happy to see that you get copies of the press clipping of the event when it takes place.

As far as Sara Jane McFadden is concerned, I am afraid that I am not going to be of much help. The former publisher of the Placentia Courier was of the opinion that she originally came from the State of Maine which possibly could explain why she picked the name for our community, but that has not been confirmed. Further, her grandson who no longer lives in the community was interviewed a number of years ago, but he could shed no light on why his grandmother had selected the name.

Incidentally, the publisher of Liberta has told me that there are several other smaller Placentias in Italy, one of which he has written up as part of the series that he did. I will see that you get a copy of that also for your archives.

I am happy to have the opportunity to once again open the doors of communication with Placentia Newfoundland and will transmit under separate cover copies of the information described above.

I hope to hear from you further on the subject in the future.

Victor J. Michel

Newfoundland Greetings

(Continued from Page 1)

the second bond between various Placentias in recent time. Another with Piacenza, Italy is still flourishing after youngsters from that city made a visit here last year. This will soon be reciprocated around June 15 when 22 students and ten adults make a return call on their Italian hosts.

That sentimental journey under the supervision of Mrs. Eva (Curtis) Carter will land the local youngsters first in Zurich, Switzerland then on to Piacenza, Venice, Florence, Milan and Rome, where the Placentia visitors will share a private audience with the Pope.

But the three far distant Placentias have little in common except their names. The picture of Placentia, Newfoundland is of a quiet beach, surrounded by spruce covered hills. The guardian of the St. Lawrence River at one time in its history, the city has been considered a strategic point in its tempestuous history for the control of Newfoundland. It is on the east side of Placentia Bay on the south coast of Newfoundland.

Both the English and French have fought to control it and the bounty of its fishing has attracted many nationalities to its shores, according to information forwarded by Ms. Murphy.

The Historical Society secretary explains that "We of Placentia deeply cherish our proud heritage and take great pride in our scenic beauty and are determined to work for the preservation of both. We are presently striving to establish a museum in the town, beginning with a summer museum project.

"Castle Hill, which was the chief French fortification, is now a Federal Government Historic Park. There has been much excavation of old ruins, recovery of artifacts and restoration of fortifications still in process. There is now a beautiful chalet set into the hill and a paved road leading to the site. The view from the hilltop is magnificent," Ms. Murphy describes.

The query to The Courier, Ms. Murphy further explains, was prompted by a clipping from the newspaper and a copy of Victor Michel's book "Placentia Around the World."

Author Michel quickly corresponded to Ms. Murphy's invitation with information concerning additional Placentias. His letter appears on Page 2. (this page).

Virginia Carpenter, author of "A Child's History of Placentia", also has corresponded with Newfoundland and included extensive information on Sarah Jane McFadden. Her letter also appears on Page 2. (this page).

A letter from local historian George Key, sent to Ms. Murphy and containing some intriguing insights into historic events in this area, will be carried in The Courier next week.

Placentia, Newfoundland was probably named as early as 1510 by the Basques who loved to fish there. The name may originally have been "Placenta" after a town named by Caesar on the Bay of Biscay, a brief history of the area shows.

"This is a good description of Placentia, for the town itself is on a flat beach in a valley between spruce-covered hills. Two rivers run into the arms of the sea at this point.

"In 1585 the English Sir Bernard Drake reported 40 vessels engaged in fishing and in 1594 the Dutch Sylvester Wyat found 60 crafts in the harbor."

The history continues as the British and French vied for control of the little beach hamlet.

"The new community had all the trappings--a church, a tavern, a hospital, school, a governor, residents and more important, 6,000 troops," an essay by Linda Peach reveals.

Any Placentians, USA, interested in contributing information to Ms. Murphy can reach her at P.O. Box 359, Placentia, Newfoundland.

LIVE HISTORY LESSON was the treat for the planeload of Morse Avenue Elementary School fourth graders who earned money for a one-day jaunt to Sacramento Saturday. They visited their State Capitol, saw the Senate Chambers, the Governor's Mansion, where present Governor Jerry Brown slept as a boy when his father was governor. Highlights for the 12 adults and 32 youngsters included a tour of Sutter's Fort, the Simbus Fish Hatchery, the town of Folsom and old Sacramento. The excitement, however, started immediately. Half of the youngsters had never flown before. Teacher of the class is Mrs. Jean Cox.

Letters To The Editor

Plea For Bike Lanes

Dear Sir:

As a bicyclist and a fourteen-year resident of Placentia, I would like to cover a couple of points concerning the cyclist in our city.

The first has to do with bike lanes. We do not have many here, and I feel we should have more. I hope many people, cyclists and non-cyclists, agree with me. One city councilman has explained to me the difficulties concerning the creation of bike lanes, problems which have to do with the property owners of land behind the sidewalks in okaying their land for use of bike lanes. However, I personally will stand behind any moves by the city council or Planning Commission in the direction of creating new lanes, and I wish other residents would express their opinion on this matter, also. The creation of bike lanes would go a long way in bettering the safety factor of our community.

Secondly, I'd like to encourage both car drivers and cyclists to be a little more cautious and considerate of each other. Granted, we are not as easy to see as other cars, but we are as vulnerable as pedestrians. If both drivers and cyclists would be more cautious and careful where the other is concerned, we could avoid possible disastrous accidents.

Lastly, I want to encourage more people to get out and ride their bikes. It's good exercise, a lot of fun, and also important in that bicyclists save energy, lessen traffic and congestion on our streets; and most importantly, create no air pollution, which in turn makes it nicer for everybody out riding their bikes.

Thank you very much,
Cristine A. Smith

Local Hospital Is Accredited

Placentia-Linda Community Hospital has been accredited by the Joint Commission on Accreditation of Hospitals (JCAH) according to A. Walter Hoover, M.D. Acting Program Director.

This accreditation, which covers a two-year period, is the result of an on-site survey made by field representatives of the Joint Commission's Hospital Accreditation Program (HAP). Accreditation indicates that this facility has chosen to operate according to standards set by JCAH and that the facility has, in the main, met these standards.

The standards, published as the Accreditation Manual for Hospitals, set forth optimal achievable goals of excellence against which a facility can measure itself and be measured by the Joint Commission's survey.

Placentia-Linda Community Hospital is one of approximately 4,800 general hospitals throughout the United States that have earned this recognition. There are approximately 7,150 hospitals in the U.S.

The Joint Commission's accreditation surveys are voluntary. It is not legally necessary for a hospital to be accredited, but health care facilities have sought accreditation because it represents a benchmark of quality that is higher than governmental licensure alone. The chief aim of the Hospital Accreditation Program, one of four such programs under the JCAH umbrella, is to help hospitals in their pursuit of excellence and thereby provide a higher quality of care to patients. The program also seeks to recognize, and to identify for the public, those facilities which meet its standards.

The Joint Commission began in 1918 under the auspices of the American College of Surgeons. It was incorporated in 1951 with the support of its present member organizations: the American College of Surgeons, the American College of Physicians, the American Hospital Association, and the American Medical Association. JCAH is a Chicago-based, non-governmental, not-for-profit organization. In addition to hospitals, it has programs for the accreditation of long term care facilities, psychiatric facilities, and facilities for the mentally retarded.

GOPs Aid Reagan Headquarters

The California Republican Assembly, a club-type organization, has endorsed Ronald Reagan as the Republican nominee for the presidency of the United States, Andy Alberti, Placentia, chairman of the campaign organization reports. The recommendation was made at a state convention.

In connection with the endorsement, the Assembly has opened a Reagan headquarters in Santa Ana at 312 North Broadway which will be open Mondays through Saturdays from 10 a.m. to 8 p.m. Mrs. Lois (Robert) Whitmore, Placentia, is in charge.

"The Santa Ana headquarters is our effort for Ronald Reagan," Alberti explained. "The number there is 547-9222."

Alberti said however, that the CRA had failed to endorse 70th District State Assemblyman Bruce Nestande, principally because of his voting record.

Nestande, the only Republican running in the primary, however, would be endorsed in the final election June 8, Alberti indicated.

Republican Squabble

Continued from Page 1

74th assembly district.

"I am talking to legal counsel and to the Chief of Police in Santa Ana concerning theft charges," Briggs stated. Briggs contends that his callers simply say "Republican headquarters...they didn't say Central Committee Headquarters."

"I'm bristling mad," the senatorial aspirant reports.

Alberti also indicates he is talking to his attorney because of what he contends to be unfair campaign practices. There are indications this week that Alberti will seek a preliminary injunction to enjoin the Santa Ana facility from using the identification "Republican Headquarters".

"Frankly it disappoints me when politicians run their campaigns that way," Alberti explains. "If that is the way they campaign, what can we expect from them when they serve," he questions.

Alberti said that he felt that Briggs, however, may not know what is going on in day to day practice in his headquarters and is more inclined to fault his managers. "However, a legal clarification has to be made," Alberti outlined. He objects to the words Republican Headquarters rather than the name of the individual candidates.

"I'm elected by the people in the party to see that candidates run responsible campaigns," Alberti explains. "Using the Republican party's name as a part of the primary campaign pitch is kind of shady. We simply have to come up with a legal definition. It has nothing to do with who the candidates are."

There were reports also that four or five candidates in the primary have filed compalints on the basis that there is a violation of state or federal statutes in the practices now being conducted at the campaign headquarters.

Elks Find Home

[Continued from Page 1]

Rylance said the Elks will hold Thursday night meetings currently. "In the beginning we will be open about three nights a week, then eventually open six nights a week and maybe at noon sometimes," he explained to the commission.

Proposed plans are for the bar to open during the late afternoon and evening hours from approximately 4 p.m. to midnight six days a week, the staff report shows.

The use permit will be reviewed six months after its effective date, operating hours of 6 a.m. to 2 a.m., will be for members and their guests only, it was pointed out.

Robert Rylance, local attorney and chairman of the board of trustees of the Elks Lodge, spoke in favor of the use.

"Since we're already on record from our previous experience down here that the Elks are a worthy organization, I won't take up your valuable time to tell you the history of the Elks," Rylance told the commission.

Polo Game Was Saturday

Anyone planning on attending a water polo game, to be shown on television in November, should be advised that the game between the Swim Team of Placentia and Fullerton has already been played.

The event took place last Saturday in the Cerritos College pool. A misprint in the Placentia Courier listed the game as scheduled for May 11. The story was in error and The Courier regrets the mistake.

JELLY BEAN WHIZ KIDS--Outguessing 600 other participants and winning books and some of the 1,088 jelly beans in the Yorba Linda Library guessing contest were: Carrie Felden, 4, 1,068 beans; Stacy Izuchi, 8, 1,100; Lisa Moser, 9, 1,098 and Kari Henricksen, 6, 1,100.

Library Showcase

Copy cat:

The Yorba Linda library now has for public use a new Xerox 4000 copier. This mechanical marvel is quieter and faster than the old one; has both standard and legal size paper available and makes duplicates of illustrations or photographs. The cost of 10 cents per copy remains the same.

Number two:

The second edition of Source, an information newsletter, compiled by the reference staff is now available. It lists the new Californiana books purchased by a grant from the local Rotary Club, as well as new reference titles.

Also included in this edition is the address and phone number of the local Agricultural Extension Service for those needing expert advice on gardening or the care and feeding of livestock.

Winners:

The winners of the second annual Jellybean Guessing Game are: Carrie Felden, Kari Henrickson, Lisa Moser and Stacy Iguchi. Lisa's guess was nearest to the correct number - she was only off by 10. Congratulations girls!

New films for May viewing

Two new films available this month from the library's A-V department are: "A Day In the Life of Bonnie Consolo" and "Pedro Linares".

The first is an inspiring story of a physically handicapped woman who has come to terms with the limitations of her body and has also learned to value herself as a person.

The second film is a study of the Linares family of Mexico who for generations has fabricated the paper mache figures used in Easter rituals.

For the sports minded there are: "Karate", "Moods of Surfing", "Sailing in Newfoundland" and "Not So Easy" a motorcycle safety film featuring Evel Knievel and narrated by Henry Fonda.

Reminder

The Friends of the Library are holding their annual used book sale Saturday, May 8th from 9-4 p.m. in the library's multi-purpose room. There will be countless bargains in novels, textbooks, paperbacks and children's books.

Used Book Sale May 8

The doors of the Yorba Linda District Library's multipurpose room will open promptly at 9 a.m. on Saturday, May 8, for the Friends of the Library's annual used book sale.

A wide range of books will be available, including children's books, paperbacks, novels, textbooks and magazines. Prices will average about 30c a book.

Nostalgia buffs will enjoy browsing through scores of science fiction magazines from the 1940's and 50's. An unabridged Funk and Wagnalls dictionary, copyright in 1913, will be sold to the highest bidder in a silent auction.

Last-minute donations are still being accepted, according to Friends members.

Prices will drop to 10c a book from 3-4 p.m., which is the final hour of the sale.

The library is located at 18262 Lemon Drive.

Free Clinic Announced

On the third Thursday of every month, the Orange County Health Department gives free vaccinations against measles, mumps, polio, diptheria, tetanus and whooping cough to any child under the age of 18.

The clinic is held at the Chester I. Whitten Community Center, 900 S. Melrose Avenue, Placentia from 8 to 11 a.m. and 1 to 4 p.m. The next clinic is scheduled for Thursday, May 20; no appointments are needed.

At the same time as the immunization clinic, a well-baby clinic is conducted for children of low-income families. Appointments for a well-baby check are made by calling the Health Department at 834-5304.

Further information regarding the immunization clinic and the well-baby clinic may be obtained by calling the Placentia Office of Social Services at 993-8178.

Round Table Schedules May Carnival

The Placentia Junior Round Table is sponsoring a carnival to be held on Placentia Avenue in the lot across the street from K-Mart on May 28, 29 and 30. There will be eleven rides, including several kiddie rides, booths and the traditional hot dogs and cotton candy.

The Juniors are offering organizations the opportunity to join them in this exciting event. Booths are available for rental at a cost of only $35 for the entire run.

DINING OUT AT PLACENTIA LINDA--Enjoying good food and fellowship are senior citizens Ken Wymore, Ellen Wymore, and Marion Williams, who dined with hospital director Gil Burnham and Placentia City Administrator Edwin Powell in the Placentia Linda Hospital dining room. The special meals are served every first and third Wednesday from 4:30 to 6 p.m. for a nominal $1.50 per person. Service and entertainment are provided by volunteers from the hospital staff and guild.

Placentia-Linda Celebrates

Placentia-Linda Community Hospital joins the nation's 7,000 hospitals in observing National Hospital Week beginning Sunday, May 9.

The theme for the celebration, "Healthy Birthday, America!", emphasizes the efforts hospitals are making to help and encourage individuals to stay healthy.

"While Placentia-Linda Community Hospital is dedicated to caring for the ill, we want the community to know that our interest in their well being extends beyond their treatment in our institution," said Gilliat S. Burnham, Executive Vice President. "We feel an obligation to educate people about steps they can take which will make valuable contributions to their own good health."

Some of our hospital's major programs directed at health maintenance, or patient and community health education are: A closed circuit video program, produced at PLCH, shown three times daily to the patients in an effort to inform them of the intercommunication of all departments on their behalf. A Breast Cancer Detection Program held once a month, has been in effect for over one year.

Our Senior Citizens of Placentia and Yorba Linda now enjoy a buffet dinner on the first and third Wednesday of each month at PLCH. May 19, Dr. Michael M. Anderson will hold a short lecture on Diabetes as well as a question/answer period following the Seniors dinner at 6 p.m.

National Hospital Week is an annual observance sponsored by the American Hospital Association and its members to give people an opportunity to learn more about the hospitals in their community.

Senior Citizens

by Muriel Sutton

, Our next General Meeting and Potluck luncheon will be Tuesday, May 10 at 12:30 p.m. The program speaker will be Jim Norris, working out of the office of Attorney General of California, Evelle Younger.

Mr. Norris will present a film especially relative to Senior Citizens titled "Senior Power and Consumer Fraud", concerning robbery, burglary, purse snatching, etc.

Out last Potluck was well attended with loads of good food for all and some left over. We wish to thank Rose of Hair Fashions for the large generous cake she brought. It was especially good tasting and we had some left for our Open House the following Friday. In case you did not know, Rose gives Senior Citizens a discount in her Beauty Parlor.

Owing to the Womens Club Flower Show there will be no Open House Friday 30th.

We again wish to thank Esperanza Hospital for their delightful luncheon and lecture by Doctor Krpan when the results of previous tests were given out and from what we hear most were given a good bill of health. Evidently we are a healthy group.

Placentia-Linda Hospital continue their special dinners for us the first and third Wednesdays of the month which are well attended and enjoyed. Our Mondays and Fridays at the Womens Club House are a lot of fun. Come and join us. For information call 993-9930.

EYE OPENERS

BY Bob Frankeny

When guests come to dinner and there's no room at the table for the children, seat them on the floor with folding lap trays.

Next time you boil potatoes, save the cooking water and soak tarnished silverware in it for about an hour. It'll come out looking like new.

Do you spend a fortune on shampoo for teenagers? Poke a small hole in bottle cap with an icepick. Discourages waste, and spills are less disastrous.

Aquarium fish enjoy cooked spinach. When you have some left over, flatten on aluminum foil and freeze. Break off tiny pieces occasionally and treat your pets.

Make extra beach towels by sewing a few hand or bath towels together, mixing or matching colors and prints. Reinforce the new seams with zigzag stitching.

Singles Group Forming

A new group for singles is being formed in Yorba Linda. It will be open to anyone in the area who is divorced, separated, widowed or never married. The first meeting will be held on Wednesday, May 12, at 8 p.m. at the United Methodist Church of Yorba Linda, 19002 Yorba Linda Blvd. (east of Imperial Highway).

An initial meeting of the singles group was held last week in order to lay plans for the new group. There were 12 people in attendance.

"A name has not yet been chosen for the group," according to Rev. Dean Humbert, "but the emphasis will be placed upon positive thinking, and learning how to be growing persons."

The group plans to meet every other week at first, with additional social activities being scheduled. Some of the activities will emphasize outings for singles and their children.

Rev. Humbert indicates that the new singles group is an out-growth of a program held earlier this year which was designed for those who had been widowed, or divorced.

Entitled: "Who Am I Now that I Am Alone", the program was of great value to the 20 participants who stayed with the 10 week course. Having been helped over the initial problems related to being alone, members were now ready to formulate a new group for singles with a broader emphasis.

For additional information, please call Rev. Dean Humbert at 528-7066.

LINDA VISTA PHARMACY

Since the inception of the Pill for contraceptive purposes, there has been some fear as to what bad side effects might accompany its use. Now a study involving almost 10,000 women has resulted in some reassuring findings.

Half of the women in the test used the Pill. It was found that these women were no more liable to suffer from cervical cancer and other cervical disorders than the non-user who comprised the control group. No relationship was found to exist between use of the Pill and heart attacks, blood clotting or diabetes.

When you doctor writes a prescription for you or any member of your family, bring it to us...we're prescription specialists.

HANDY HINT: A piece of lemon peel will keep brown sugar soft if kept together in an airtight container.

SusanDeLandTo Sing In Europe

The 53-member choir, which established a reputation for excellence in performance and repertoire during four previous European tours and many concerts in the United States and Canada, will leave Provo, Utah on May 3 for the three-week concert tour of Spain, Eastern France and Western Switzerland.

YOUNG LOVERS--Emily [Kim Ridgley] and George [Terry Hofferth] say wedding vows in scene from "Our Town" to be performed at Bernardo Yorba Jr. High.

'Our Town' Staged At Yorba JH

The Bernardo Yorba Jr. High Drama Dept. has announced the production dates of May 5, 6 & 7 for the pulitzer Prize winning play "Our Town" by Thornton Wilder.

The play centers around life, marriage and death as experienced by the people of Grover's Corners, New Hampshire around the turn of the century. The play is told in episodic fashion by a "stage manager" narrator, and focuses on George and Emily, two young people growing up in the small town.

These two are seen going to high school together, falling in love over sodas at the corner drugstore, being married and suffering the tragedy of death as Emily dies giving birth to her second child.

Along the way, the playgoer meets many of the other people of the town and share the joys and tribulations of their lives. The play is delightful yet profound; humorous, picturesque and tragic.

The large cast of Yorba students includes Harlan Harris, Kim Ridgley, Terry Hofferth, Ronda Gilbert, Mark Stephenson, Ted Williams, Julie Sepulveda, Karen Daly, Paul Litner, Mark Beveridge, Andy Fyke, Chris Kunsman, Chris Currier, Bob Fyke, Vicki Knowles, Kelly Harper, Jim Wallace, Mike Altman, Larry Kizziar, Joe Fusaro, Sandy Schnieder, Scott Galloway, Debbie Rickett, Tim Duffy, Cory Heaphy, Bob Jones, and Eileen Walsh.

The production manager is Joe Fusaro and his technical crew includes Steve Ruff, Bill Anast, Mike Dravatz, Greg Bevans and Nick Cannis.

The production, directed by Bruce Kittilson, will be staged at 7:30 each night in the multi-purpose room at Yorba Jr. High. Tickets, sold at the door, will be $1.

The Art Club at the school will provide a display of ceramics to be placed on sale during intermissions.

KATIE'S COLUMN or DOWN ON THE FARM by Kay Starr

Unless you have been keeping you head in the ground lately, you have to be aware of the building tension of the June primaries in California. Candidates are knocking on doors, getting their names in print, and other campaign moves to acquaint you with them.

However, all of this hard work will be for nothing if two things don't happen, and in this order. First, register. Second, vote. A third would be find out about the people running for office.

In any case, if you are not now registered to vote, call the Registrar of Voters at 834-2244 and find out where the nearest place to register is located. Deputy registrars will also come to your home if you are not able to go out.

The deadline for registering for the June 8th primaries is May 9th. Particularly, young people who will be 18 by the June election should register now. But once you have registered, remember the second step in the process is to exercise your voting privilege, VOTE.

About knowing who your candidates are, the main parties send much literature to you. Read it, and ask quesions of the people. Most of them have a headquarters where they can be reached. The people who run the government machinery are only as good as we, the voters, make them.

You might even find one candidate who really meets your qualifications for an office holder. Do like I did, and get on the bandwagon. It is challenging to actively support a candidate. Like the saying goes, it's where the action is.

Over the past few years I've assisted many growers with shaping their trees-sometimes free, sometimes being paid for the work, but what really got to me were the different conditions in which I did the work.

For instance, one farm is out in the boondocks, so far from everything you wouldn't expect anything except tranquility. Not so, the noise from the big planes flying overhead a good portion of the day make it impossible for me to hear the little transistor radio in my pocket.

Another farm is located near railroad tracks and believe me when I say that when those things hitch and unhitch, the shock waves send me straight up. Even my own farm nestled back against the hills was a source of annoyance on occasion with the heavy traffic and whopping police sirens along Imperial Hwy.

Now if I could just find a way to apply the new theory of soft music that has been found to help plants grow, the trees would probably just hug and kiss me for eliminating the noise.

Redeemer Midweek Services

In their continuing program of Christian education, the Rev. Erwin G. Walz, pastor of Redeemer Lutheran Church, Placentia, recently announced the start of a midweek worship service on Wednesday evenings, 7 to 8:30 p.m. The worship service will offer singing and opening prayers, an informal Bible study and a closing with sharing, testimonies and prayer.

The Bible study will be on the Gospel of Mark, the first Gospel written, with a paragraph by paragraph treatment of the book. Led by Pastor Walz, the study will given an in depth look at this gospel and make the book live, applying its message to our everyday lives.

This is a unique opportunity for those who work on Sunday or are away for the weekend to participate in a worship experience. Nursery care will be available for small children. All members of the community are warmly welcomed.

PreSchool Signups Set

St. Stephen's Lutheran pre-school enters its sixth year of operation with an anticipated enrollment of 125 children. The school is operated as a service to the community.

Tuition is kept very low in order to serve the most children. The program offered is an outstanding one, academic orientated, structured, in a Christian atmosphere.

The date set for enrolling is May 6 from 1 to 3 in the afternoon. May 6 is for new enrollments on an appointment basis.

Children of all denominations and racial background are welcome to enroll. Parent participation is not required. Age requirement is that the child be three before December 2.

Art Display At Jewish Fair

Four unusual art displays including one by a Placentia artist, will be showcased at the Orange County Jewish Cultural Fair, Sunday, May 16 at Los Amigos High School, Heil at Newhope, Fountain Valley.

The Fair is open to the public. Hours are 10 a.m. to 5 p.m.

The Magnes Museum in Berkeley is sending two exhibits. One, by artist Luciano Morpurgo, highlights Palestine circa 1927 in 60 photographs. The other is a display commissioned expressly for the museum and it consists of 24 serigraphs of Israel by artist Al Garvey.

A talented group of Orange County artists will be featured in a special environment created by gallery designer Rosalie Winesuff (Placentia). Such noted artists as sculptor Mildred Kouzel (Anaheim), lithographer Charlotte Rubeinstein (Laguna Beach), painter Lucia Davis (Fullerton), photographer Bernard Kouzel (Anaheim), and artist Eva Louris (Santa Ana) will be among those represented.

Tigers Cut Loose; Then Caged

Canyon's Mike Uyemastsu poked a home run over the rightfield fence last Tuesday, but Frank Martinez of Valencia also homered with one on in the first inning and Barry Smith slapped an inside the park homer in the next inning to aid pitcher Mike McCall in his third victory and only the third win for the Tigers in baseball this season.

The line score on the game was Valencia 5 runs, 6 hits and 4 errors and Canyon, 4 runs, 6 hits and 1 error.

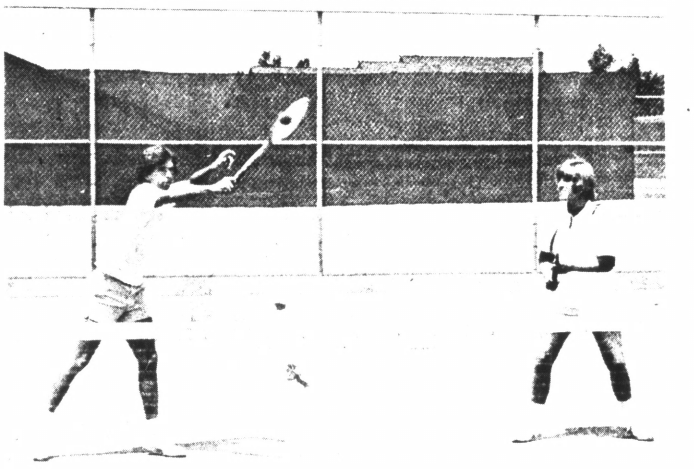
Friday, however, Sonora caged the Tigers 13 to 5 as the Raiders clinched the Orange League baseball title. The Raiders tatooed Tiger pitching for 14 hits including John Meyer's three hits and Brian Greer's homerun in the fourth.

Pitcher Mike Border held Valencia to four hits, one of them Mark Lambert's solo blast in the second inning. The Tigers held a 3-0 lead going into the Sonora second but the Raiders scored four times to lead 4 to 3.

The Tigers added another run in the next inning and Sonora scored two more in the fourth, three in the fifthe, two again in the sixth and finally two in the seventh for 13 runs to dominate the game.

The rundown was Sonora--13 runs, 14 hits and 3 errors. The Tigers-- 5runs, 4 hits and 2 misclues.

DIAMOND DUST -- Strange thing last Tuesday, all six teams that played had at least one homerun to a team...surely no power shortage there. Sonora was finally defeated last Tuesday by El Dorado for their first loss of regular season play. Carl Hill a regular starting pitcher for the varsity, along with Mike McCall, did not start last week. In fact, he did not pitch at all. He may have some arm trouble or Coach Bill Borning may have decided to yank him from the starting rotation because of his 0-5 record.



GOOD SHOT--Chris Buck hits a backhand shot in recent El Dorado tennis match as his partner, Brett Bittel, looks on approvingly. The doubles team has proven to be one of the toughest in league. [Photo by Brian Hilderbrand]

Y-Maidens Plan Camp

BY JEAN YATES

The Y-Indian Maidens are planning their annual over-night campout at Woodchuck again this year. The weekend chosen for this event is May 15 and 16.

Here everyone is on their own for sleeping facilities and food. The moms, of course, will try to convince their daughters of the joys of sleeping in a tent while they "rough it" in their campers. Afternoon crafts, a camp fire on Saturday night and of course Sunday worship service are part of the planned activities.

Y-Indian Maidens is a Mother-Daughter organization for girls 6 through 9 years of age and is sponsored by the North Orange County YMCA. The Nation of Swift Moccasins includes Tribes in Brea, La Habra, Placentia, Yorba Linda and Fullerton.

HONORED

El Dorado High School drama students earned a superior rating for group achievement at the 20th annual High School Theater Festival, according to coach Gai Jones. Individual honors went to Mike Halverson, Deanna Musgrove and Margie Oldendorf, who won the "best actress" award.

T'Masters

Members of the Yorba Linda-Placentia Toastmaster's Club #3425 enjoyed another dinner meeting at the Alta Vista Country Club on April 20.

The club also welcomed two guests: Kieth Grimes and Sam Daram. Jerry Leff presided, Bruce Ranzan was the toastmaster of the evening, and Marve Grudem was the general evaluator.

There were four well prepared after dinner speeches by Jerry Leff, Mo Graham, Ken Silver and Richard Wall on a variety of interesting subjects: Education, the Art of Listening, Employment and the Fine Art of Cigar Smoking.

The best speaker award was a tie between Mo Graham and Richard Wall; Dean Lawrence was awarded best evaluator; and best table topics went to Richard Wall. Guests and new members are always welcome. For information call 528-7641.

Warriors In Playoff Race

by Scott Emblidge

After a horrendous start, Troy High School's varsity baseball team came back to win seven of their last eight games and are now deadlocked in a second place tie with the Savanna Rebels and have a good chance of gaining a CIF playoff berth.

The Warriors, now 8-4, won both games they played last week; first squeezing by La Habra 2-1, and then by defeating Valley by the identical score. Both games were marked by excellent Troy pitching.

Against La Habra last Tuesday, the Warriors had eleven hits, but only two runs in 15 innings. The game was scoreless for the first ten innings but La Habra scored on a walk and a double to take a 1-0 lead in the top of the 11th. Troy came back though, scoring after a walk, a fielder's choice, an infield single and then a ground ball.

It happened this way. Ron Moore, the starting pitcher, who did a superb job limiting the Highlanders to just three hits, walked and was advanced to second on a fielder's choice.

Shortstop Greg Sporrer's infield single put runners on first and second and then Eric Burgesen hit a grounder to second to force Sporrer but, when the throw for a double play was wild, Moore scored.

The final run came when Jeff Knox walked in the 15th and then, with bases loaded, scored on third baseman Burgeson's single. Dennis Doyel was credited with the victory in relief.

Troy just squeezed by in their next game when they scored in the bottom of the seventh to defeat Santa Ana Valley 2-1.

Doyel again was the winning pitcher and now boasts a 5-1 record. He held Valley to three hits while striking out six batters and the one run scored off him was unearned.

Troy tied the game at 1-1 in the third inning by picking up an unearned run of their own with Keith Rokosz scoring and then won the game in the seventh when John Feary hit a fly ball to center field to knock in Sporrer from third.

Gymnasts Entertain School

Sierra Vista students in grades three through six were entertained recently by members of the Fullerton YMCA Gymnastics Booster Team.

The young athletes, aged seven through fourteen, afforded the students an insight into the world of competitive gymnastics as they demonstrated many of the routines and techniques connected with the sport.

Established five years ago, with the assistance of instructors from California State University Fullerton, the team competes in zone areas against other clubs and YMCA teams. Under the direction of coach Eric Will, the boys' team recently won the Southern California championship title. Coach for the girls' team is Ricki Francisco.

Interested Sierra Vista youngsters were advised that as result of a newly introduced policy, anyone may try out for the team. Additionally, gymnastics classes are available through the YMCA in Fullerton.

Profits from noncompetitive demonstrations are used to furnish equipment and uniforms for the young gymnasts, advises Sierra Vista PTA Assembly Chairman Ruth Gould.

Hawks Second In Baseball

The sixth Orange League victory in a row for the Golden Hawks baseball nine, gave the school a firm league second place last week as the season started its windup.

The Hawks defeated second place contender Esperanza 4-2 on Friday following Tuesday's 7-6 win over league leading Sonora.

Both games provided ample color for the viewers.

On Tuesday, El Dorado catcher Pat Vizenor hit a grand slam home run, providing a six-run third inning for the Hawks. The defeat was the first for Sonora in league play.

The Hawks added another run in the sixth inning on an error, sacrifice, a ground out and a single. Pitching for the Hawks was Tom Hazen with relief from Dan Petry.

In Friday's triumph over the Aztecs, Dan Petry fanned 11 Esperanza batters, allowing only four hits, three of them doubles. Petry not only pitched without relief, but doubled home Todd Peterson. Peterson in the first inning had singled, stolen second and scored on a single by Jim Hayek.

The Orange League baseball race officially ended Monday. Monday El Dorado was scheduled to go against Brea-Olinda. Sonora has held the title five times in the past six years.

Soccer Signups Scheduled

The Junior United Soccer Association (JUSA) is making preparations for its 1976 playing season. The soccer program this year is open to boys and girls who will be at least seven years old, and no more than eighteen years old on December 31, 1976.

Teams are formed geographically by public school boundaries. Player selection for teams are by age and soccer experience to create equal balance on each team.

All players will play a minimum of one-half game, thus allowing the most inexperienced many opportunities to become well acquainted with the exciting game of soccer.

The 1976 season will begin practice in August with scheduled practice games. Opening day ceremonies on September 11 will officially launch the playing season which will extend through December 18.

Every team will play a minimum of 12 regular games plus competing in the knock-out cup competition.

Registration will be held in the Placentia area on May 15 at Tuffree Field from 9 a.m. until 5 p.m. and at Golden Field from 9 a.m. until 1 p.m. Registration will also be held on May 22 at Wagner Field from 9 a.m. until 5 p.m.

A donation of $15 per single child in a family; $12 for the second child, and $10 for the third child will be accepted at registration.

All persons registering must be accompanied by a parent or guardian, and all must present proof of age.

Hawk Tennis League Champs

BRIAN HILDERBRAND

For the second consecutive year, El Dorado's tennis team has clinched the Orange League title, under the superb coaching of Larry Hoekman. Hoekman took over as varsity coach this year, after guiding the JV squad to a league crown last year.

With two matches to play, ED has racked up a 17-2 record, 12-0 in league, and will enter the CIF team playoffs to begin May 11. League finals, to determine the individual singles and doubles champions will be held May 8, at an undecided racquet club.

The Hawks last scheduled match, with Esperanza, was called due to smog, and will not be made up. Earlier in the week, however, the Golden Birds had a taste of victory, beating the Sonora Raiders 20½-7½.

Instrumental in the win were singles players Tim Kilker and Blake Von Sprecken, and the doubles team of Brett Bittel and Chris Buck, all of whom swept in the match. Kilker is now 76-0 in sets-won, the only undefeated player in the league.

Against Sonora, Kilker won all four sets by beating Phil Filippi, Robert Garvin, Doug Hemsley and Steve Martin by scores of 6-1, 6-0, 6-1, and 6-0, respectively. Kilker is the top candidate for the singles championship in the league finals.

Despite a pulled muscle in his arm, suffered in the first set of the match, Blake Von Sprecken also won all four of his sets by scores of 6-4, 6-0, 6-1, and 6-2. Von Sprecken's arm was doing better later in the week, and the cancellation of the match Friday gave it some rest. He should be fine for the two remaining matches.

Steve McAllen broke even, winning two and losing two sets. McAllen beat the second and fourth players 7-5 and 7-6 in a tie-breaker. He lost to the third player, 1-6, and defaulted to the number one player due to a sore foot.

Tracy Pierson lost his only set to Filippi, 6-7 in a tie-breaker, then beat the three remaining players by scores of 6-2, 6-4 and 6-4.

In doubles competition, the team of Brett Bittel and Chris Buck won all four sets, boosting their record to 48-8 on the season. The duo beat the teams of DeKlotz-Skala 6-2, 6-4, and Kuper-Knadler 6-1,6-1.

The team of Paul Howes and Ken Dressel only won one set the entire day, losing to DeKlotz-Skala 1-6, 3-6, and Kuper-Knadler 4-6. They won the other set 6-2 against Kuper-Knadler.

The Hawks were scheduled to play Brea on Monday, and will host Canyon in the last regular season match on Thursday.

Concerning the team's record, coach Hoekman spotted this year's strong singles players and doubles team's consistency as the key to a victorious season.

"It has been a total team effort. The fact that we're now in 2A will make a difference in CIF", Hoekman stated.

Last year, in a tougher 3A division, the Hawks lost in the first round of playoff action to La Quinta.

SINGLES

Kilker (ED) def. Filippi 6-1, def. Garvin 6-0, def. Hemsley 6-1, def. Martin 6-0.

Von Sprecken (ED) def. Filippi 6-4, def. Garvin 6-0, def. Hemsley 6-1, def. Martin 6-2.

McAllen (ED) defaulted to Filippi, def. Garvin 7-5, lost to Hemsley 1-6, def. Martin 7-6.

Pierson (ED) lost to Filippi 6-7, def. Garvin 6-2, def. Hemsley 6-4, def. Martin 5-4.

DOUBLES

Bittel-Buck (ED) def. DeKlotz-Skala 6-2, 6-4; def. Kuper-Knadler 6-1,6-1.

Howes-Dressel (ED) lost to DeKlotz-Skala 1-6, 3-6; split with Kuper-Knadler 4-6, 6-2.

MERIT!

'Enriched Flavor'™ process prompts unprecedented response to taste of new low tar MERIT.

Smokers are talking about a new kind of cigarette.

It's MERIT. The remarkable new low tar cigarette made with the 'Enriched Flavor'™ process.

MERIT has only 9 mg. tar. One of the lowest tar levels in smoking today. Yet, taste tests proved that MERIT delivers as much—*or more*—flavor than cigarettes having up to 60% more tar.

If you smoke, you'll be interested in what people like yourself are writing to us about MERIT.

Tea Honors Volunteers

Volunteer classroom aides at Glenview Elementary school in the Placentia Unified School District received thanks and recognition at a tea given by the staff this week.

The 125 parents and community members gave 7,822 hours of service to Glenview children during the past school year, "and the year isn't over yet," noted Principal Earl Pratt.

Aides work in all facets of the educational program at Glenview and other schools in the Placentia district, performing such jobs as providing individual tutoring assistance to children, helping on field trips, providing information as community resources, helping in clerical work and making instructional aids.

In addition to the many volunteers, Glenview also has paid aides working in the Early Childhood Education program, most of whom volunteer many additional hours to help the children, Pratt said.

RAYDRA INTERIORS

"Peggy's Pointers"

Spring is the time of year to make the rounds of the Design Showcase homes all over Southern California.

Having just visited the Pasadena Showcase '76 - an event sponsored annually by the Pasadena Junior Symphony and the American Society of Interior Designers, I'm all charged up with both praise and criticism for this type of project.

The home chosen this year was Pegfair - a 9000 square foot Georgian home atop a hill in a quiet section of Pasadena. Each room was the design project of a different interior designer - they were to decorate the home with a common theme, but of course, it is a good way to show the public an example of their work. Unfortunately, to many, it's a way of shouting -- "Look, Ma I'm dancing!!" They get one room, and one shot at showing all of us what they can do.

It is a pity we can't have some showcases which allow fewer designers to do more rooms. Then maybe we'd all get to see how beautifully a home can flow together when it is done with more imagination and less ego.

A CHRISTIAN MOTHER
is like yeast
used in baking bread.
Slowly,
steadily,
surely
her positive influence is felt
in the development
and growth
of her children,
in their outlook
and attitude toward life,
in their understanding
faith,
and character.
Thank God
for the influence
of Christian mothers
in their many-splendored role
in the homes of our land!
Their influence for good
is like the leaven
of Jesus' little parable:
"A little leaven
leaveneth the whole lump."
Build your influence for good this Mother's Day Sunday through Divine Worship - 9:00 A.M.
